THEY FEAR ANOTHER JOHNSTOWN.  
Rockaway Valley Excited Over the In-  
cursion of the Great Dam.  
(SPECIAL TO THE EVENING WORLD.)  
ROCKAWAY, N. J., Oct. 30.—Great apprehension exists among the residents of the valley to-day owing to the alleged insecurity of the great dam which restrains the waters of Rockaway River and other rapid streams, outlets of Green Lake.  
Engineers have declared the dam to be unsafe, and its owners are endeavoring to strengthen it. Property owners, however, are much dissatisfied with the manner in which the work is being done. They demand that the water shall be drawn off and the alterations made in a substantial manner.  
Should this dam give way great damage would be done to the Delaware, Lackawanna and Western Railroad, as well as to a score of small factories near the Roanoke branch line.

WRECK ON THE ROCK ISLAND.  
Three Persons Seriously Injured by the  
Collision of Two Express Trains.  
(SPECIAL TO THE EVENING WORLD.)  
CHICAGO, Oct. 30.—A collision took place on the Rock Island Road at Niles last night.  
The St. Joseph canon-ball train ran into the rear end of the Denver express, wrecking the dining-car of the front train and the engine and baggage-car of the canon-ball.  
Major Gibson, of Aurora, Ill., an unknown lady and the engineer of the canon-ball were quite seriously injured.  
If we are to have the World's Fair in New York the Express Fund of \$5,000,000 must be paid at once. The New York World will take your subscription. Sub-
